

LAKE GARDA CRUISE

A cruise on northern Lake Garda with a visit to Limone on the western shore and Malcesine on the eastern side.

The small cruise on Lake Garda by motorboat leaves from Riva del Garda with a first stop in the ancient village of Limone, a special place where lemons bloom.

Continue to Malcesine, the most characteristic of the towns of the lake, with its peculiar cobbled streets and squares. The landscape is dreamlike, the panorama is among the most fascinating: Malcesine is located between the shimmering waters of Garda and Monte Baldo, which rises majestically and wildly, wild and rocky, up to over 2000 meters of the highest peaks.

During the excursion you will be able to admire monuments dating back to the Roman, Scaliger, Venetian and Austrian periods and let yourself be conquered by the typical vegetation composed of citrus fruits, olive trees, cypresses and flowers of extraordinary beauty.
